

Explore AVID's Communities of Practice — high-quality professional learning designed to meet the diverse needs of educators' learning styles and schedules.

Whether learning in person or online, teams will be prepared to implement and execute an effective AVID College and Career Readiness System and best instructional strategies.

Our world-class professional learning allows for initial and expanding professional learning needs based upon each district's and site's goals for their educators. **Visit avid.org.**

Click on a role below to view the Community of Practice offerings:
