

Time for a Scavenger Hunt!

AVID has partnered with GooseChase to create a digital scavenger hunt to help build community with fellow participants. The special code that you will need to join the game is available in your Pre-Work tile on the AVID eLearning platform. Find your first mission in your Pre-Work course, and then continue with daily missions throughout your AVID professional learning event. The top 10 participants with the most points will win a special prize from the [MyAVIDStore](#). Winners will be announced by email.

How to Play

2. Create an account and include your first and last name.
3. Open the app and join the game by entering the private game code shared with you via email. You can also find the code in your Pre-Work tile on the AVID eLearning platform.
