*Classroom capacity is based on 4 chairs per table

*Banquet capacity is based on 6' rounds of 10; head table 3 chairs per table

A wide-angle photograph of a modern building's interior. The ceiling is a complex, geometric structure with a grid of white, angular panels and recessed circular lights. Below the ceiling, a large atrium space is visible. In the center, a wide staircase with glass railings and metal handrails leads up. To the left, a large, white, angular structural element rises from the floor. The floor is covered in a dark, textured carpet. In the background, there are glass walls and a glass door. The overall atmosphere is clean, modern, and spacious.

A photograph of a modern building's interior. The space features large, floor-to-ceiling glass windows that offer a view of the outside world, including trees and other buildings. Several thick, cylindrical concrete pillars are positioned throughout the space, supporting the ceiling. The ceiling itself is composed of a grid of acoustic tiles. The floor is highly reflective, mirroring the pillars and the windows. A white rectangular box with a thin black border is centered in the image, containing the text 'D 100 MEETING ROOMS' in a bold, red, sans-serif font.
