A strong AVID system can transform the **instruction, systems, leadership, and culture at your school to ensure college and career readiness for all students.**

Does “All Students” Mean “All Students” at Your School or District?

We invite superintendents, district leadership, principals, and teacher leaders to see how schools are implementing AVID nationwide to:

-  Ensure student success by incorporating WICOR[®] (Writing, Inquiry, Collaboration, Organization, Reading) strategies throughout all classrooms to support increased rigor schoolwide.
-  Provide ongoing professional learning for staff and site-based coaching.
-  Build collective educator agency to transform culture in support of all students.
-  Align the K–12 college and career readiness journey.
