# AVID's mission

is to **close** the opportunity gap by preparing **all** students for college and career readiness and **success** in a **global society**.

# The Changing Educational Landscape

- 5 million EL students in K-12 schools
- In a few years, 1 out of 4 students will be a classified EL
- Only 67% of ELs earn a high school diploma within 4 years, compared to 85% of their peers
- The gap between ELs and non-ELs scoring proficient in reading has widened in 10 states over the past decade

(US Depart Ed, 2000; NCES, 2022)

# Answering the Call

≡ AVID Emerge™

## AVID Emerge™

AVID Emerge™ serves multilingual learners within an English Language Development (ELD) class and the school community. AVID Emerge™ can be an overlay to an adopted English Language Development (ELD) curriculum or a site and district ELD curriculum development resource. Whether you are an ELD classroom educator, instructional coach, or language specialist, AVID Emerge™ can be used to amplify instruction, encourage agency, and strengthen family-school partnerships.

The instructional supports are differentiated for students at all language proficiency levels. This approach aims to elevate the potential of multilingual scholars by encouraging active participation in their schooling. Through the implementation of AVID Emerge™, multilingual scholars gain a clearer picture of their long-term aspirations and how to achieve those goals successfully.
