(2015)

The Landscape

5 million multilingual learners
in U.S. public schools

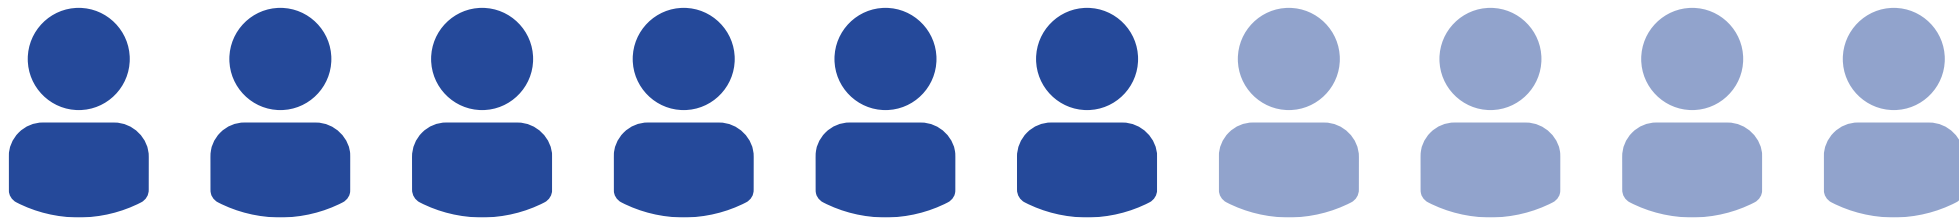

Enrollment grew in 43 states
especially in the South and Midwest

1 out of 4 students
will be classified English Language Learner

Long-term English Learners

59%

of secondary English Language Learners are
Long-term English Learners

LTEL Common Characteristics

Most born in U.S. and attended all U.S. schools

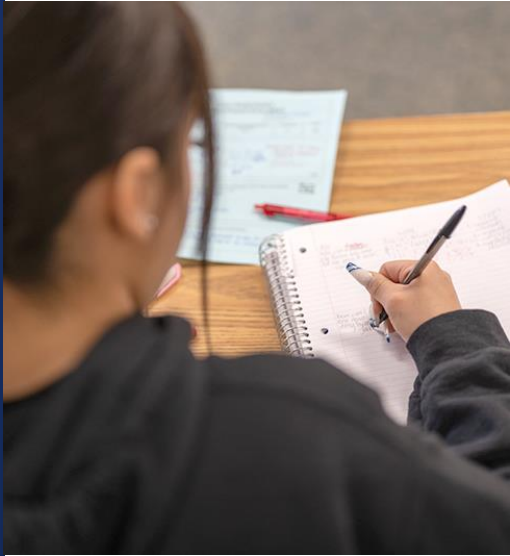

Designated ELL for more than 5 years; appear “stuck”

Orally fluent in English (deceiving!)
– BICS

Reading and writing below grade level
–lack CALP

Insufficient literacy in primary language; may use an informal version of their primary language

Often disengaged with school; work to stay “invisible”

AVID's Mission

is to close the opportunity gap by preparing all students for college and career readiness and success in a global society.

The Goal of AVID Excel

To **change the trajectory** of experienced multilingual scholars by **accelerating language acquisition, developing literacy**, and placing them on the path **to high school AVID and college preparatory coursework.**
