

Serving Multilingual Learners  
Within a Designated  
English Language  
Development (ELD) Setting

## Lead the way with our dynamic language support offering that turbocharges learning!

Perfect for classroom teachers, instructional coaches, and language specialists!

**AVID Emerge helps amplify instruction, encourage agency, and strengthen family engagement.** Differentiated and rigorous content is connected to the AVID College and Career Readiness Framework and Foundations of Instruction. This resource can be used as an overlay to an adopted ELD curriculum or as a site ELD curriculum development tool.

### Three Proficiency Groups:

- Entering
- Emerging and Developing
- Expanding and Bridging

### Family-School Partnership Workshops:

- Let's Connect
- Asking Questions
- Effective Communication
- The Importance of Reading

### Implementation Resources:

- Crosswalks to State Standards
- Current Research
- Student Handouts
- Instructional Guides

AVID Emerge PL includes 14 hours of training (2 hours asynchronous and 12 hours synchronous). PL is only required in the first year. The Digital Toolkit is purchased in the first year and renewed annually. Annual renewals include fall and spring workshop opportunities and toolkit enhancements.
