A strong AVID system can transform the **instruction, systems, leadership, and culture** at your school to ensure college and career readiness for all students.

### Does “All Students” Mean “All Students” at Your School or District?

We invite superintendents, district leadership, principals, and teacher leaders to see how schools are implementing AVID nationwide to:

-  Ensure student success by incorporating WICOR® (Writing, Inquiry, Collaboration, Organization, Reading) strategies throughout all classrooms to support increased rigor schoolwide.
-  Provide ongoing professional learning for staff and site-based coaching.
-  Build collective educator agency to transform culture in support of all students.
-  Align the K–12 college and career readiness journey.

### What Can You Expect From an AVID Showcase?

-  Observe the vertical and horizontal articulation of AVID strategies throughout all grade levels to support student success.
-  View WICOR strategies schoolwide to provide quality differentiated instruction for emergent to independent learners in order to scaffold student success with rigorous content.
